HISTORY

This wine is a delicate process in which our artisanal winemaking craft is carefully balanced with innovation from one of the world's best Pinot Noir region—the Sonoma Coast in Sonoma County.

THE VINTAGE AND VINEYARD

The 2023 vintage is not one we will soon forget. A cool and wet winter lead to a budbreak 2-3 weeks later than average. Daytime temperatures throughout the growing season continued to be unusually cool, with averages in the low 70s and the warmest days just reaching into the low 80s. This lead to an exceptionally late harvest – over a full month later than 2022, offering the grapes an extended hang time to develop extraordinary complexity and concentration. The even cooler nights, a hallmark of the Sonoma Coast, preserved fresh acidity and created a beautiful balance with the season's generous ripe fruit flavors.

TASTING

The beautifully colored, fresh and vibrant Rosé of Pinot Noir has aromas and flavors of strawberry, melon and tropical fruits. Brilliant and bright with fresh acidity, notes of citrus and a clean finish, enjoy this Rosé of Pinot Noir with goat cheese, fresh Thai food dishes or spicy shrimp tacos.
